Part B – Social Media Do’s and Don’ts

Do’s:-

Think before posting anything online - Maintain respectful communication - Protect your privacy - Verify information before sharing - Use social media for learning Don’ts: - Do not share offensive content - Avoid cyberbullying - Do not post sensitive information - Avoid spreading fake news - Do not overshare personal details.

Part C – Short Report

Poor digital communication can lead to serious misunderstandings. For example, a student once sent an email to a professor using informal language and did not clearly explain their issue. The professor misunderstood the tone as disrespectful and ignored the request, resulting in the student missing a deadline. This situation could have been avoided by following proper email etiquette. The student should have used a formal greeting, clearly stated the purpose, and maintained a

respectful tone. Proper structure and professionalism ensure effective communication
